ANMELDEN

Innovation Challenges

**40+ Challenges
since 2015**

**Wir verbinden öffentliche
Auftraggeber mit innovativen
Unternehmen**

Innovationen sind mehr als kluge Ideen. Sie sind Produkte und Dienstleistungen, die uns besser machen. Die IOEB-Innovationsplattform stellt sie ins Schaufenster und nutzt sie, um Herausforderungen des öffentlichen Sektors zu lösen.

IHR MEHRWERT

Challenges

Öffentliche Auftraggeber suchen bei diesen Markterkundungen innovative Lösungen und Lieferanten zu konkreten Themen. Beim Innovationsdialog erfolgt der erste Austausch. Durchstöbern Sie die Projekte – und reichen Sie als Unternehmen Ihren Vorschlag ein!

Win-Win-Situation

Added value of an innovation challenge

Public procurer

- Market overview and solution for your problem
- Different solution approaches
- Knowledge of the possibilities and limits of procurement
- Impulse for the project & positioning as innovation pioneer
- Support from the PPPI Service Center

Innovative companies

- Establishing contact with procurers
- Publicity for newly developed products
- Can create understanding for new approaches
- Can react to demand in time
- Exchange with potential customer
- Profit from fair expenditure

Services for international companies

- Thanks to the P2I project, we already developed the following services:
 - Translation of our Challenges in English – participation of international companies are very welcome
 - Dissemination of the Challenges within the P2I network
 - Videos of the PPPI Service Center in German and English language
 - Our News and Events section with international contribution / events
 - Information on actual EU Calls
